(4) Letter No. H2/35920/2011/DPI dated, 06.10.12 of the
DPI, Thiruvananthapuram.

As per the Government Order first cited, Government had approved a comprehensive educational package. As per Para 6B (ii) of the Government Order, no filling up of posts of additional division shall be allowed after 31.03.11. It has been noticed that certain educational officers have subsequently sanctioned additional division/posts for the year 2010-11 without the concurrence of the Government. This is irregular and hence it is clarified that no addition should be made in the staff fixation order for 2010-11 without the prior approval of Government. The DPI is also directed to consolidate all such cases where revision of staff strength has been done after 31.03.11 and have the same verified by super check cell officers and to furnish authentic cases to Government for ratification

Government had clarified in Circular No. 3rd cited that in all uneconomic schools staff fixation of 2010-11 should be followed. But the vacancies after 2010-11 in the schools due to death, resignation, promotion, transfer etc should be filled up with daily waged employees. The DPI has been directed to review such appointments and approve on regular basis, if the appointment of teachers come within the minimum strength of the school. It is further clarified that for sanctioning minimum strength of teachers in an uneconomic school, details of students required are given below.

LP Section (I to IV)	- 60
LP Section (I to V)	- 75
UP Section (V to VIII)	- 45
High School Section (VIII to X)	-45

As per Government Order Second cited, retrenched teachers who have completed training have been positioned as cluster Co-ordinators against the vacancies reported by the State Project Director. But the establishment matters of these retrenched teachers are not being dealt any where else. Hence it is instructed that establishment matters of such retrenched teachers shall be dealt by the AEO/DEO concerned having jurisdiction of the schools in which the retrenched teacher had originally worked.
