

IT PRACTICAL EXAMINATION 2007  
STANDARD – X  
GIMP

- 1 Prepare a cover page of size 8 x11 inches for the Malayalam non-detailed text “ Paathummayude Aadu” using Gimp. Give appropriate pattern as background. Insert the picture basheer.jpg or title.jpg from the folder **images10** in **home** directory . Make the poster attractive. Save the cover page with your register number as file name and .jpg extension.
- 2 Prepare a poster reflecting the idea “Save the Earth” using Gimp. The heading should be “Save the Earth”. Insert any two pictures jeb.jpg, river.jpg, tree.jpg from the folder **images10** in **home** directory in two layers. Make the poster attractive.
- 3 Prepare a poster based on the English Poem “Pied piper of Hamlin” using Gimp. Make a logo with the text “Pied piper of Hamlin” and use it as heading in your poster. Insert the picture piper.Jpg from the folder **images10** in **home** directory as a new layer. Make the poster attractive.
- 4 Prepare a poster for the seminar “Origin of Species” using Gimp. The text “Theory of Evolution – Darwin” with font size 48 and color blue should be placed in the middle of the poster. Insert the picture Evolution. jpg from the folder **images 10** in **home** directory. Smudge the sides of the picture. Make the poster attractive.
- 5 Prepare a poster for Blood Donors Forum using Gimp. Make a logo “DONATE BLOOD” and use it as heading in your poster. Give appropriate background pattern. Insert the picture blooddonor.jpg from the folder **images 10** in **home** directory as a new layer. Make the poster attractive.

6 Prepare an advertising poster for your School Co-operative Store. Use the text “CO-OPERATION LEADS TO PROSPERITY”. Insert the picture cooperation.jpg from the folder images 10 in home directory. Make the poster attractive using suitable background color and font size. Save the poster with your register number as file name and .xcf extension.

7 Prepare a poster about endangered birds using Gimp.

Directions:

- ❖ Give background using Gradient tool
- ❖ Text : Endangered Birds
- ❖ Insert picture hornbill.jpg from the folder images 10 in home.
